

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

THE LIBRARY.

Undergraduate Members of the College are allowed to borrow books (not being books of reference, e.g. Dictionaries) from the Library, for any period not exceeding three weeks.

The Librarian is in attendance at the Library during Term, for the purpose of receiving applications for books. Notice is given at the beginning of each Term of the hours of attendance.

Resident Graduates may, with permission from the College, obtain from the Librarian a key which will admit them to the Library in the day-time, and may take out books, provided that an entry be made in the Register of the name of the book, the name of the borrower, and the date. The date of the return of the book must also be entered in the same Register.

All books borrowed during Term must be returned to the Library on or before the last day of Collections. No books may, under any circumstances, be taken out of Oxford.

The possessor of a Library key should return it to the Librarian when he intends to go out of residence, or in any case before the end of each Term.

A fine of £1 is to be inflicted for any violation of the last rule.

THE CHAPEL.

All resident Members of the College are required to attend Chapel once each day, and twice on Sunday.

Undergraduates residing in College, not being members of the Choir, are required to attend the Morning Chapel Service on at least three week-days.

The hours of Chapel Service are, during Michaelmas and Lent Terms,

On Sundays, Holy Communion 7.30 a.m.

Morning Prayer 9.30 a.m.

Evening Prayer 5 p.m.

On other days, Morning Prayer 8 a.m.

Evening Prayer 5.15 p.m.

During Easter and Trinity Terms the hours of Service are,

On Sundays, the same as above.

On Saints' Days, Morning Prayer 8 a.m.

Evening Prayer 5.15 p.m.

On other days, Morning Prayer 7.30 a.m.

Evening Prayer 5.15 p.m.

Those who are prevented by any cause other than illness from being present at Morning Prayer on Sunday, are required to call on the Dean, without further notice, at noon punctually.

Any one prevented by illness (unless his name is on the Aeger List) will send a note to the Dean to explain his absence.

A plan, shewing the seat to be occupied by each Undergraduate in Chapel, is suspended in the Chapel at the beginning of each Term.

It is the duty of the Scholars to read the Lessons for the Day in Chapel.

The Scholars whose duty it will be to read each week during the Term are indicated on a List hung up in the Chapel at the beginning of each Term.

The senior B.A. Taberdar in Chapel will always read the Second Lesson. The junior B.A. Taberdar in Chapel will read the First Lesson on Surplice days, i.e. on Sundays, Saints' Days and Eves.

If the Scholar whose week it is to read the First Lesson is not in Chapel, the junior Scholar in Chapel will read it. If the Scholar whose week it is to read the Second Lesson is not in Chapel, the senior Scholar in Chapel will read it.

No person who is not a Member of the College can be admitted to the Chapel Service without a written order from the Provost or one of the Fellows.

THE CHOIR.

Members of the College Choir are not required to attend Morning Chapel on week-days. They are expected to be regular in their attendance at all the Choral Services, and at the Choir Practice under the Precentor.

Members of the College desirous of joining the Choir, are requested to signify their desire to the Dean. When a vacancy occurs in the Choir, those whose names are on the Dean's list will be examined by the Organist, and the successful candidate will, on the Precentor's and Organist's recommendation, be admitted to the Choir by the Provost.

ROOMS.

The rents of College Rooms are charged at the end of each Term of residence in the Batell Accounts.

The rent of the Room is paid by the actual tenant, whether he be the possessor of the furniture in the Rooms, or not.

All applications for change of Rooms should be made to the Camerarius at least a fortnight before the end of Term.

Valuations of furniture, including crockery, brushes, &c. are entered in the Batell Accounts, the cost of valuation being charged to the possessor of the furniture.

No exchange or alienation of furniture is allowed under any circumstances, except by personal arrangement between the out-going and the in-coming tenant of the Rooms.

It is expected that the Rooms should be left in all respects in habitable order when given up.

The amount of the valuation of the furniture in a set of two Rooms is not under ordinary circumstances to exceed £40; in a set of three Rooms, £50.

The College undertakes to keep the fabric in good order; e.g. to provide for the repair of window-frames, floors, walls. This does not apply to cases of wilful damage. All papering, painting, repair of fittings, &c. must be done at the expense of the occupant.

places, window-frames, floors, walls. This does not apply to cases of wilful damage.

All papering, painting, repair of fittings, &c. must be done at the expense of the occupant.

The College can only allow the occupancy of a complete set of Rooms during the first twelve Terms from the commencement of residence. If from illness, or other cause, an Undergraduate fails to complete the necessary residence within that time, the College will only undertake to provide him with a bedroom for the rest of the necessary residence.

Those who desire to count a Term as a Term of residence, must take out something in Commons from the Buttery or Kitchen each day, but not necessarily for each meal, as a proof of residence. The same rule applies to those who are in Lodgings.

LODGINGS.

Those who are living in Lodgings are subject to the same College rules and discipline as those who are in College.

The College reserves to itself the right of prohibiting any of its Members from occupying any particular Lodgings in the town. To obviate inconvenience, before engaging to take any Lodgings, Undergraduates should get the assent of the College, through the Dean, to their occupying the Lodgings in question.

AEGER LIST.

Undergraduates who are prevented by illness from attending Chapel or Lecture, are required to obtain leave from the Dean for their names to be entered on the 'Aeger List.'

Those who have their names upon the Aeger List are expected not to go beyond the gates of the College, without special leave from the Dean.

They are provided with mutton broth and plain cooked meat from the Kitchen, as a matter of course; but can be permitted, on obtaining leave from the Dean, to substitute for this any food their medical attendant may deem expedient.

GATE FINES.

The College Gate is closed at 9 p.m. After that hour no resident in College is allowed to go out, except by an order from a Tutor. The fine for coming into College between

9 and 10 p.m. is 1*d*.

10 ... 11 2*d*.

11 ... 12 6*d*.

A list of those who come in after 9 p.m. is sent to the Provost and the Dean.

When any one who is not a member of the College goes out after 10 o'clock, the fine is imposed on the occupant of the rooms from which he came.

Residents in lodgings are charged the same fines for going out of College, as residents in College are charged for coming in.

These rules do not apply to Masters of Arts.

SERVANTS.

The wages of the College Servants are charged in Batells, and no Servant is entitled to receive any perquisites or gratuities whatever. The attention of all Members of the College is particularly called to this rule.

COLLEGE BILLS.

An account is sent every Saturday during Term to each resident Member of the College, stating the expenses he has incurred in Kitchen and Buttery during the week ending the preceding Thursday.

Before the commencement of Michaelmas, Lent, and Easter Terms, a Batell account is sent to every one who has been in residence during the preceding Term. This account must be settled with the Bursar on the appointed day in the first week of Term. No arrears can, under any circumstances, be allowed to accumulate.

The above Terminal account contains the sum total of the Weekly bills, together with other charges due to the College for the preceding Term, which are explained below.

Every Member of the College pays an annual Fee of £1 to the University, and £1 (or in the case of Masters of Arts 14s.) to the College. These charges are made in Batells, under the heads "University and College Dues."

"Poor and Local Rates" are charged upon occupants of College Rooms according to a scale fixed by an official valuation. The share of these Rates levied upon the public buildings of the College is divided equally among all residents, as is the "Excise Duty" payable annually on the College Servants.

by an official valuation. The share of these Rates levied upon the public buildings of the College is divided equally among all residents.

“Establishment Charges” is a contribution paid by every resident Member of the College towards salaries of Cooks, Hall Waiters, Porters, Shoe and Knife Cleaning, Delivery of Letters, Hall Fire, Gas, &c. and is paid in three Terminal instalments during the year, of £3 15s. by residents in College, and £2 by residents out of College.

The charge for attendance (“Bedmaker’s Wages”) is £2 3s. 6d. per Term of residence, and includes the entire salary of the servant. No supplementary fees ought to be expected or given; and no perquisites belong to the servant. The attention of Undergraduates is particularly drawn to this rule, and it is hoped that they will assist in carrying it out.

When a resident in College stays up for three weeks or more in Vacation, his servant is allowed to make an extra charge of 5s a week, paid in Batells, four days to count as a week.

The charge for “Cleaning Rooms,” (i.e. carpet-beating, window-cleaning, grate-polishing, &c.) at the beginning of each Term, varies from 5s. to 10s. according to the size of the room, number of windows, &c. Independently of this, the servant is bound to keep the rooms and windows clean and tidy during Term.

Gentlemen who reside less than a whole Term are charged a *pro rata* share of Establishment Charges and Room Rents.

All letters placed in the College Letter Box should be stamped. The item "Postage" only includes such payments for understamped letters, &c. as are unavoidably made at the Post Office by the College Postman.

A list of the Messenger's and Laundresses' charges will be found at pages 18 and 19.

The charge for Tuition is £8 at the end of each Term of residence, i. e. £24 per annum. After nine payments this charge ceases, and £1 1s. per Term is charged to those who are still attending College Lectures. The Tutors allow £5 per Term for three Terms, towards Fees, to any Student who passes Moderations not later than his seventh Term, and reads to the satisfaction of his instructors in Natural Science.

The holder of a Scholarship, Clerkship, or Exhibition has one-third of its annual value placed to his credit at each settlement of account.

The University prohibits smoking in the streets; the College prohibits it in the quadrangles.

Every resident in College is accountable for any disturbance or irregularity which may occur in his rooms.

No undergraduate is allowed to sleep out of his rooms or lodgings, without special leave from the Provost; or to leave Oxford for the day, without the leave of the Dean.

No undergraduate is allowed to stay in Oxford after the last day of Collections, or to return before the first day of Term, without leave from the Provost.

No undergraduate is allowed to hunt, unless application is made by his Parent or Guardian to the Provost for leave, specifying how often such leave is desired; and he shall not hunt, without special leave being given on each occasion.

No tradesmen, or others, are allowed to call on undergraduates resident in College for the purpose of soliciting their custom; nor are beggars admitted within the College gates. Gentlemen are desired to assist the College Authorities in enforcing this regulation.

The arrangement of hours of Chapel on Sundays will enable all the College servants to leave College in time to attend Morning Service at their Parish Churches. It is desired that all resident Members of the College will cooperate with the College Authorities to secure this result, by finishing their breakfasts and leaving their rooms to be cleared some minutes before the hour of Morning Chapel.

COLLEGE BILLS.

An account is sent every Saturday during Term to each resident Member of the College, stating the expenses he has incurred in Kitchen and Buttery during the week ending the preceding Thursday.

The attention of the Dean is called to any account in which the amount exceeds a certain sum.

Before the commencement of Michaelmas, Lent, and Easter Terms, a Batell account is sent to every one who has been in residence during the preceding Term. This account must be settled with the Bursar on the appointed day in the first week of Term. No arrears can, under any circumstances, be allowed to accumulate.

The above Terminal account contains the sum total of the Weekly bills, together with other charges due to the College for the preceding Term, which are explained below.

Every Undergraduate pays a quarterly Fee of 10*s.* to the University for the first four years, or until the B.A. degree is taken, and 5*s.* a quarter afterwards. Every member of the College below the degree of M.A. pays 5*s.* a quarter to the College, Masters of Arts and members with higher degrees 3*s.* 6*d.* a quarter. These charges are made in Batells, under the head "University and College Dues." Masters of Arts are at liberty to compound for these payments: for the Scale of Composition, see p. 7.

"Establishment Charges" is a contribution paid by every resident Member of the College towards salaries of Cooks, Hall Waiters, Porters, Shoe and Knife Cleaning, Delivery of Letters, Hall Fire, Gas, Rates, &c. and is paid in three Terminal instalments during the year, of £4 by residents in College, and £2 10s. by residents out of College.

The charge for attendance ("Bedmaker's Wages") is £2 8s. 6d. per Term of residence, and includes the entire salary of the servant. No supplementary fees ought to be expected or given; and no perquisites belong to the servant. The attention of Undergraduates is particularly drawn to this rule, and it is hoped that they will assist in carrying it out.

When a resident in College stays up in Vacation, his servant is allowed to make an extra charge of 5s. a week, paid in Batells, four days to count as a week.

The charge for "Cleaning Rooms," (i.e. carpet-beating, window-cleaning, grate-polishing, &c.) at the beginning of each Term, varies from 5s. to 10s. according to the size of the room, number of windows, &c.

Gentlemen who reside less than a whole Term are charged a *pro rata* share of Establishment Charges and Room Rents.

All letters placed in the College Letter Box should be stamped. The item "Postage" only includes such payments for understamped letters, &c. as are un-

avoidably made at the Post Office by the College Postman.

A list of the Messenger's and Laundresses' charges will be found at pages 18 and 19.

The charge for Tuition is £8 at the end of each Term of residence, i.e. £24 per annum. After nine payments this charge ceases, and £1 1s. per Term is charged to those who are still attending College Lectures. The Tutors allow £5 per Term for three Terms, towards Fees, to any Student who passes Moderations not later than his seventh Term, and reads to the satisfaction of his instructors in Natural Science.

The holder of a Scholarship, Clerkship, or Exhibition has one-third of its annual value placed to his credit at each settlement of account.
